Join us for a fun and friendly youth fishing competition. We will provide bait and teach basic fishing techniques, and kids ages 15 and under will receive a free fishing pole, courtesy of Pure Fishing. Prizes will be awarded for First Fish caught, Biggest Fish (length/weight), Smallest Fish (length/weight), and Last Fish caught. We will have additional gifts and prizes, including sling bags and game calls, for derby contestants and provide a free, picnic-style lunch for all attendees. All kids are required to have a parent, guardian or chaperone present. IBEW Local 113 will cover the park entrance fee and there is no fee to participate, BUT the competition is limited to 50 youth.
