**Dust off those fishing poles and get the kids outside for an exciting morning of catching bluegill and bass!**

This is the perfect opportunity to introduce youngsters to the benefits of fishing and the abundance of public access opportunities available in our community. Each registered kid will receive a fishing pole that is his or hers to keep, so register the kids, grab your camera and get ready for a fun day! Be sure to join us after the event for a picnic-style lunch.

This event is free and open to the public, but it is limited to the first 300 kids. All participants must be accompanied by a parent, guardian or chaperon. To volunteer, sponsor or provide door prizes for the event, contact [conservation@unionsportsmen.org](mailto:conservation@unionsportsmen.org).
