The Central Washington & Pendleton BCTC along with the Union Sportsmen's Alliance & US Army Corps of Engineers Walla Walla District would like to invite youth in the local community to a day of free family fun! This event will provide the perfect opportunity to introduce youngsters to the joy of fishing and public access opportunities.

No fishing gear? No problem. Participants will receive a fishing pole to not only use during the event, but to take home after. Plus, union volunteers will be on hand to assist with baiting, casting, and reeling in those fish! This event is FREE and open to the public but limited to the first 150 youth to register. All youths must be accompanied by a parent, guardian or chaperon. Lunch will also be provided.
